Bolton College

Adult Learning courses for the academic year 2026-2027 are now live on our website!

There are hundreds of courses to choose from, from taster courses to build confidence and explore new interests, to accredited courses that will give you the skills and qualifications you need to achieve your goals. You can find all of our Adult provision on our website: <https://www.boltoncollege.ac.uk/course-type/adult/> *Please note that information such as course date, time, location, and availability is subject to change and you are encouraged to check the website for up-to-date information.

It's not too late to book a Maths or English assessment! These assessments are an informal opportunity to meet our tutors and find out your level so our tutors can guide you to the right course for you. To book an assessment use the link: <https://bookwhen.com/adultmathsenglish#focus=ev-si65-20250915160000>

Register interest for ESOL using this link: <https://www.boltoncollege.ac.uk/courses/adult-esol/>

Please feel free to share this information with anyone you feel would benefit. Anyone who wishes to enrol (19+) can do so using the following link: <https://www.boltoncollege.ac.uk/course-type/adult/> or by coming into any of the college hubs (Please note that Deane and Derby, Brownlow Fold, and the classroom at Farnworth Library will close for the summer on 17th July).

You may be entitled to free or reduced tuition fees when you study at Bolton College. This entitlement is based on age, income (linked to benefits received), qualifications already held and the type of course you want to study. Evidence confirming that you meet requirements will be required when you come to enrol.

There is also a **Network in Nature gathering this Friday 10th July**. An opportunity for representatives from local organisations and services to meet, find out about the fabulous things we're all doing in Bolton, and form new collaborations whilst exploring the great outdoors! If you'd like to join us, we're meeting at the **Café in Moss Bank Park at 1:30pm**. There is no finish time and no agenda - stay as long as you like and let conversation flow naturally. Feel free to bring snacks (please bring your own water!!) and wear sensible wandering in the heat attire! (Please note that we will be keeping to shaded areas as much as possible)

Trauma-Responsive Greater Manchester – Every Voice Matters

As part of Greater Manchester’s journey to becoming a more trauma-responsive region, Greater Manchester Combined Authority (GMCA), working alongside specialist trauma-informed practice partner Dignifi, is seeking the views and experiences of people who live, work, volunteer or access services across Greater Manchester.

Understanding the impact of trauma and adversity helps us to create services, systems and communities that are safer, more compassionate and better able to meet people’s needs. Your feedback will help shape future recommendations and inform the region’s ongoing trauma-responsive work.

There are two anonymous surveys available:

Professional Survey – for staff, volunteers, partners and professionals working within systems and services:

[\[Trauma-Informed Greater Manchester: Professional Survey – Fill out form\]](#)

Public Survey – for residents, people with lived experience and those who access services:

[\[Trauma-Informed Greater Manchester: Public Survey – Fill out form\]](#)

We would be grateful if you could:

- Complete the survey most relevant to you.
- Share the public survey with service users, residents, community groups and networks.
- Encourage colleagues and partners to take part.

Bolton's Trauma-Informed Journey

In Bolton, we are committed to developing a trauma-informed approach across services, organisations and communities. Our local programme aims to strengthen understanding of trauma, promote compassionate practice, and improve outcomes for residents by creating environments where people feel safe, respected and supported. To learn more about Bolton's trauma-informed journey and access a range of free toolkits, resources and training offers, please visit: [\[Working with Children – Adverse Childhood Experiences & Trauma Informed Practice – Learning and development\]](#) or here [Trauma Responsive Greater Manchester](#)

Wellbeing Support and Local Services

We recognise that reflecting on life experiences may feel emotional for some people. If you would like information about local wellbeing support, community activities, volunteering opportunities or services that can help improve health and wellbeing, please visit: [\[Let's Keep Bolton Moving - Wellbeing Matters - Let's Keep Bolton Moving\]](#)
